

PARTNER BIO

Brian Quiring

Partner, Architect | AIBC, MAA, M. Arch, NCARB
Contact: p. 250-542-1199 • e. bq@mqn.ca

Background

Brian's diligent nature, foresight, and decisive approach ensures efficiency and effective outcomes. Having worked in various capacities prior to co-founding MQN with Robert McDonnell, Brian has expertise in recreation, commercial, residential, educational, and religious architectural sectors. Specializing in sports facilities, automotive dealerships, and master planning, his leadership and entrepreneurial spirit guarantee quality and practical execution. His adept management style is reflected through proficient project and staff administration, and he consistently delivers buildings of merit that meet client needs and benefit communities.
