# Jordan Hart

Architect | M.Arch, B.Arch Tech, Dip, Arch Tech  
Contact: p. 250-542-1199 • e. jordan@mqn.ca

## Background

Jordan is an experienced Architect with a broad range of building typologies including Civic, Multi-Family, Commercial, and Industrial, backed by a wealth of technical drawing and production skills. He excels at managing all stages of a project, from initial design to contract administration and beyond. His portfolio showcases a diverse range of building types, with a strong emphasis on sustainable and community-focused design.

What sets Jordan apart is his commitment to sustainability and innovation. Beyond meeting clients' needs, he actively seeks input from all stakeholders throughout the design process. By fostering open communication and collaboration, Jordan ensures that projects not only comply with regulatory standards but also reflect the values and aspirations of the communities they serve. Through innovative solutions and thoughtful design, he creates spaces that enhance both the environment and the well-being of those who inhabit them.
